

Dear Friend of LifeScene,

LifeScene (formerly Family and Children's Service of Greater Lynn) is a multiservice community nonprofit organization that works with families, children, and individuals of all ages to build and strengthen life skills. **We are excited to announce we will be hosting our Second Annual Building Bright Futures Gala in the spring of 2023!**

LifeScene has been serving youth and families since 1885, by directing resources to our program participants by facilitating programs that foster growth and opportunity. Our youth and families in our community face everyday life challenges that can be overwhelming. Since our beginning, our services have positively impacted the lives of thousands through the power of education, support, and a loving community. We at LifeScene work every day with youth and families to overcome obstacles to find, access, and develop the skills to build personal and professional resiliency and self-sufficiency.

The Second Annual Building Bright Futures Gala will be held on **Thursday evening, April 20th, 2023, at the Hawthorne Hotel in Salem, MA.** This is an opportunity to celebrate the work we do and for some program participants to share highlights of their experience. We hope you will be able to join us and our many other supporters!

We invite you to join us as an event sponsor

We respectfully request your sponsorship in support of LifeScene's Second Annual Building Bright Futures Gala. Your support will help support our programming that helps build a brighter future for many youth and families. Net proceeds will be used to fund LifeScene's **Family Services:** Family Resource Center, parenting education, family support, and our **Youth Service Programs:** Youth enrichment, and Project Success career & workforce development program.

We rely on philanthropic donations and sponsorships in order to continue our commitment to offering all services and resources 100% free to all participants. This ensures that financial resources are never an obstacle to essential child, teen, and parenting supports.

Please see the following page for details on how you can become part of our evolving story.

Your partner in service,

Selvin Chambers, III.
Executive Director
